

Breathing Life International, Inc dba New Breed Receives \$5,000 Grant from OneAZ Credit Union

New Breed's grant is part of OneAZ's \$330,000 Community Impact Grant Program

PHOENIX, AZ June 23, 2023 – OneAZ Credit Union is proud to award a \$5,000 Community Impact Grant to New Breed for their work improving the lives of their community. New Breed is one of 66 nonprofit organizations that received a OneAZ Community Impact Grant.

"OneAZ is incredibly honored to award this \$5,000 Community Impact Grant," said Brandon Michaels, OneAZ President & CEO. "The organizations that the OneAZ Community Foundation supports are creating meaningful change in the communities where our members live and work. Through initiatives like the Community Impact Grant program, OneAZ is fulfilling our mission to 'improve the lives of our members, our associates and the communities we serve'."

"New Breed is honored to have been selected to receive this \$5,000 Community Impact Grant from OneAZ, ' said Kerry Hogan, President of New Breed. "This grant will provide scholarships to 25 men to attend 2 of our camps in the mountains. The men these scholarships will be awarded to are men in recovery from addictions of many kinds. The purpose of these camps is to help these men understand the responsibilities they have to themselves, their fellow man, and God as they progress toward independent living outside of recovery programs. An outcome of these camps is that these men experience the calmness and beauty of the outdoors while experiencing all this with a clean and sober mind and body."

Since 2016, the OneAZ Community Foundation has provided over \$1 million in grants and funding to Arizona nonprofit organizations through this program and other donations.

Funding for the Community Impact Grant program is made possible in large part due to OneAZ members' debit card usage. This sustainable funding model allows OneAZ to equitably distribute donations to communities where our members live and work.
